

Chapter 3: Study Guide

A Closer Look

INTRODUCTION

The Spirit is symbolized not only by dove but also by wind and fire. The Spirit is a powerful driving force that can totally remake men and women and renew the face of the earth. Certainly God can work quietly and gently in our lives, but we should look to the Spirit as an energizer, a source of enthusiasm. When we say that the Church is Spirit-filled, we mean that God has filled us with an enthusiasm for following Christ and spreading the Good News.
